

Gérard Jones has previously delivered some football coaching for the East Riding County FA to girls between the ages of 5 and 8 years within development centres. Gérard is extremely enthusiastic and has approached the county FA on numerous occasions to ask for coaching experience, paid or otherwise. He is keen to further his coaching qualifications and has been in regular contact regarding future courses and events. Gérard is always punctual and is committed to every session that he delivers. As a county we have received positive feedback from the players at the sessions he has delivered.

Gemma Thomas  
Women's and Girls Football Development Officer  
East Riding County FA
