

Dear Mr Sheron,

Re: Gérard Jones

I am writing to support Gérard's request to observe your training sessions at Bury F.C. Gérard is a first year student in our coaching and performance degree at the University of Hull. While I have only known Gérard in my role as his 'academic advisor' for a few weeks, I have been impressed by the considerable passion, dedication, and enthusiasm that he has shown towards his academic studies and his practical coaching endeavours in football. In addition to his conscientious attitude and application to his studies, Gérard is also actively contributing to the football community in the local area through his coaching work with the university football teams, his participation in East Ridings F.A. coaching projects, and his scouting work for Bradford City F.C. Indeed, I consider Gérard to take his development as a football coach very seriously and, as such, believe that he would greatly benefit from watching you working with the youth team at Bury F.C. Should you have any queries or require any further information, please do not hesitate to contact me at the address above (Tel: 01482-463615 Email: p.potrac@hull.ac.uk).

Kind regards,
Dr. Paul Potrac
